

Celebration of Brass II @ The Gilmore July 14 – 19, 2022

GREETINGS from the Museum of the Horseless Carriage!

Time is fast approaching for the “**Celebration of Brass II**” festivities! As many of you experienced at last year’s inaugural, we are again planning a fun-filled, five-day gathering featuring a car show, swap meet, numerous on-site activities, and three days of touring scenic country roads to West Michigan’s shoreline. Included within you will find information to plan your trip and registration forms. What’s important for you to know is that our team and vendors will continue to ensure all venues meet health and safety standards according to Covid-19 guidelines. Again, most locations and planned activities will be large open outdoor venues. There will be safe and ample space to park your transporters for the duration of your trip. Car tour participation is capped at 80 cars but, if you cannot bring your brass era car, there is sure to be back seat availability!

Eligibility

All automobiles (any number of cylinders, steam or electric), motorcycles, and bicycles made before 1916 are welcome. If you have any questions about eligibility or registration, refer to contact “inquiries” below; we are glad to help. → For the Car Show and Swap Meet, you DO NOT need to be a member of the HCCA to participate.
→ For the Car Tour, you DO need to be a current member of the HCCA.
